SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
U.S. Appln. No.: 10/555,756

Applicants are providing a copy of an Office Action issued November 21, 2006 in the corresponding Japanese application, together with an English translation of the same. Please note that JP-A-11-199218 and JP-A-2003-47930 which are listed in the Office Action were previously submitted as part of an IDS on February 27, 2006. However, we are submitting English abstracts of these references. To the extent a concise explanation of relevance is required under the circumstances, Applicants rely on the English abstracts as well as the discussion of the references in the Japanese Office Action.

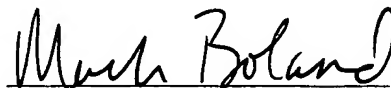

The present Information Disclosure Statement is being filed: (1) No later than three months from the application's filing date; (2) Before the mailing date of the first Office Action on the merits (whichever is later); or (3) Before the mailing date of the first Office Action after filing a request for continued examination (RCE) under §1.114, and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.
